### Auditions

Auditions are based on experience, knowledge and execution of technique, how quickly you learn routines, levels passed, etc. Auditions will be held on Monday, August 7. There will be different auditions for different styles.

There is a \$35 audition fee for per person per style. Register now online or at the desk. Audition forms will be available soon.

### Parent & Student Meeting—Aug. 7, 6:00

There is a required meeting for all parents and students that are auditioning. We will be discussing the PAC policies, competitions, expectations, etc.

### Requirements

- In order for our PAC students to continue to improve and advance as performers we require that all PAC students are enrolled in at least 2 PAC teams during the 2017-2018 season.
- Higher level PAC teams require enrollment in technique classes that will advance the student's skills.
- Level testing in Jazz, Twirl & Acro. Students that have level tested will be able to advance to higher teams of those styles. Level testing is to ensure that all students on a team can execute the same skills on the same levels and everyone continues to progress.

### Dance, Twirling & Acro Levels

The level camps are only offered during the summer months. This is the performer's opportunity to advance and learn new skills before starting the recital season.

### Level Camps:

- Acro—July 10-13 (testing July 14)
- Jazz & Twirl—July 17-20 (testing July 21)
- Jazz & Twirl—July 31-Aug 3 (testing Aug 4)

### Level Testing

Testing dates are available on the Friday of that camp week. Students that are registered for the summer level camps will receive an email when level testing sign-up sheets are available. Each level test is \$15. **Know each skill on the level you are testing for. Bring your level sheet to your testing time.**
