

Parents: Please print these Safety Procedures, sign them to acknowledge that you have read and understand them, and turn the signed copy in at your child's first class, or return them via email prior classes starting to: Jamie@SterlingSilverStudio.com

Safety Procedures for July & August Recreational Classes:

- July & August Recreational Classes and Camps at Sterling Silver Studio will be held either inside of the studio or in a 20 x 40 tent located outside of Sterling Silver Studio. The tents have removable walls, so classes can be held rain or shine.
- Restrooms will be available if necessary. Please have your child use the restroom before coming to class.
- To avoid people entering & exiting the studio, only the students taking classes will be allowed in the studio, and children practicing outside will be allowed in if they need to use the restroom.
- The drinking fountain will be turned off. Please make sure your child brings a water bottle to class clearly labeled with their name on it.
- The lobby will not be open for use as a waiting area. Adults dropping children off must wait outside or in their vehicles.
- The office will be open by appointment only. There will be someone in a tent outside to help you with questions, and to assist children with hand sanitizer and other safety measures.
- Parents, please have your child wait in the car with you until class begins. No early drop-offs.
- Students may not hang around outside if there are breaks in between their class times. If your child has a break in between classes that is longer than 15 minutes, please pick them up and keep your child with you until the next class begins.
- Hand sanitizer will available, and students must use sanitizer as they enter class and once again as they exit.
- Masks are not required per health department regulations but can be used if you choose.
- The locker room will be closed & not available for use. Contact us before your child's class if you need to get anything out of your locker.
- We all miss each other and we know it will be tempting for kids to want to hug teachers and friends that they haven't seen in a while. We want everyone to stay safe & healthy, so we ask that everyone remains a safe distance from one another. Parents, please have this conversation with your child prior to coming to class.
- Please practice safe social distancing outside the studio before and after classes and during classes.
- The dancing spaces will be sectioned off and students will need to stay in their section during class.
- If anyone in your family has any type of illness or symptoms of COVID-19, please stay home and contact the studio.
- Please wear shoes that strap or lace tightly to the foot so that students can dance safely outdoors without shoes coming off or injury to the foot. Please, also bring your dance shoes. Classes will consist of indoor and outdoor rehearsals.

I have read and understand the Safety Procedures for Sterling Silver Studio's July and August Recreational Classes
