Recreational Classes

Recreational students are not required to wear makeup but are welcome to. You can style your hair anyway you wish for pictures. Please keep costume accessories in mind.

PAC & Corps

All PAC & Sr. Parade Corps members are required to have full performance hair & makeup for PAC & Corps pictures.

Notes from the Photographer:

★ Parents, please make every effort to arrive early enough to be ready 10 minutes prior to picture time. Be prepared, do not wait until Photo Day to make those minor alterations to your costumes, bedazzle, sew any items, etc. Make sure your dancer has everything they will need; all outfits and shoes, correct color tights, hair done, all makeup items and accessories, etc. It's never too early to begin getting ready.

★ We ask that dancers and staff **only** enter the photography area. It is a challenging task to photograph groups of young people in a limited amount of time. Many younger children can be shy or anxious in a group photo setting and other kids become rowdy and wild. Adding a group of parents in the vicinity and other cameras begging for heads to turn undermine the job we are trying to do. Let us take the pictures on Photo Day.

★ If this is the first time your child has been in front of The Big Lights, they will be OK and you will too!

2022-2023 PAC TEAM AUDITIONS

Sterling Silver Studio will be holding the 2022-2023 Performing Arts Company (PAC) team auditions on **Monday, August 1** with a required meeting at 6:00pm.

Contact your student's instructor to see if he/she is ready to audition for the next PAC season.

Prepare for auditions by attending spring & summer classes of the styles you plan on auditioning for. Attend summer level camps and testing dates.

Each PAC student is required to enroll in at least 2 PAC classes and a technique class for the 2022-2023 season.

We do require level testing for tap, twirl, jazz, ballet and acro PAC teams.

These styles are currently the fastest growing teams in the studio. This requirement is not to hold anyone back or to keep anyone from auditioning.

This is to build stronger teams by:

1. Encouraging students to excel to the next level of their skill and performance ability.
2. Ensuring each team member will be able to perform at a similar skill level
3. Guaranteeing that everyone knows all of the necessary skills to audition for that style of team.

Contact us if you are interested and would like more information.

HELPFUL HINTS

Over the next few months, there will be a flurry of information coming your way. We are getting into our busy time! Everything from picture scheduling, recital information, parades, PAC auditions, summer classes, etc. As a former dance/twirl and PAC Mom, I understand that it can be overwhelming. I thought I'd share a few tips that I used to make sure my daughter and I didn't miss or forget anything:

- When the newsletter comes out (I personally found it helpful to print it out), sit down with it and read through each article. If an event pertains to you, write it down in your calendar or use your phone calendar as a reminder.
- Add info@sterlingsilverstudio.com to your address book in your email. Doing this will keep any emails we send out from hitting your spam folder so you don't miss anything.
- Check for any postings on the office door or walls in the lobby - we will post lists, call-outs for volunteers, etc. in these areas at times.
- Recital/competition time: To ensure you don't forget anything when you're packing, make a detailed list of items you need to have with you. Down to bobby pins...check it off as you pack it.
- If you have **any** questions, please feel free to stop in and ask our friendly office staff. They are always helpful and are dance/twirl moms.
