## Jump Start Program Information

The Jump Start program is an innovative program designed for students who are interested in progressive learning in their chosen performing arts discipline without the full commitment of the Company 91 program.

Students who join the Jump Start program are committed to their art and are interested in participating in one local Spring competition on March 11, 2023 in addition to spring recital on April 29, 2023.

The purpose of this program is to enhance beyond the beginner level and introduce students to a new performing arts experience.
